DECLARATION

Please check your proposal carefully before signing this declaration. This is especially important if the proposal is not completed in your own hand.

I/We declare that the above answers are true to the best of my/our knowledge and belief and that the vehicles are in a roadworthy condition and that all material facts affecting the assessment of risk have been disclosed.

I/We agree that this proposal is for insurance in the standard terms and conditions of the Underwriters policy and shall be the basis of the contract. If any answer has been written by any other person such person shall for that purpose be deemed to be my/our agent and not the agent of the Underwriters.

I/We agree that in the event of a vehicle being the subject of a total loss claim the balance of any unpaid premium becomes due for payment before settlement is made and the underwriters may deduct those unpaid premiums from settlement monies.

I/We understand that you will pass the information on this form, and about any incident I/we may give details of, to the ABI so that they can make it available to other insurers. I/We also understand that, in response to any searches you make in connection with this application or any incident I/we have given details of, the ABI may pass you information it has received from other insurers about other incidents anyone insured to drive the vehicle covered under the policy may have been involved in.
